_____ I hereby consent to physical therapy treatment as prescribed by my physician, or as deemed necessary by the treating physical therapist. I also understand that physical therapy treatment, by its nature, involves inherent and unavoidable risks, including falls, and other similar injuries, and that the only alternative to entirely avoid these risks would be to forego physical therapy all together.

_____ I understand I am responsible for charges incurred, regardless of insurance coverage. If Cadence Physical Therapy Co has a contract with your insurance carrier, we will file the claim. If the insurance company denies payment for no referral, non-covered services, deductible, etc, I am responsible for all balances due.

_____ I assign all benefits to Cadence Physical Therapy Co that are received from my insurance provider for physical therapy services rendered.

_____ It is advised that a parent or guardian attend all sessions with patients that are **minors** and I waive any claim that I may have due to my failure to comply with this advisement.

48 Hour Notice Cancellation Policy Automatic Balance Charge Credit Card Required

A cancellation fee of **\$50.00** will be charged for each appointment that is cancelled with less than **48-hour** notice. A credit card is required to be on file in the event of a short notice cancellation. This fee is waived if you make up the visit, within the same calendar week.

Cancellations impact 3 individuals:

- 1) Yourself – You limit your ability to reach your goals
- 2) Your Provider – Time has been made in the provider's schedule specifically for you
- 3) Another patient – We are unable to fill your appointment slot with others that are needing to get on the schedule when short notice is given.

By signing below, I agree to a \$50.00 cancellation fee to be charged to my credit card on file if less than 48 hours' notice is given for my scheduled appointment.

Automatic Balance Charge:

By signing below, I agree that the balance on my account will be charged to my card on file at the end of the month. Cadence Physical Therapy Co will give you notice before the charge is made and the opportunity to call and make other arrangements or ask questions, if needed.
